Services may be delivered by an individual provider, or a team of providers, who is working under the direction of a licensed practitioner operating within their scope of practice. Only licensed, waived, or registered mental health providers

and licensed substance use disorder services providers are listed on the Plan's provider directory.

This directory is updated monthly and no later than 30 calendar days after Amador County Behavioral Health receives updated provider information.

**ATTENTION:** Auxiliary aids and services, including but not limited to large print documents and alternative formats, are available to you free of charge upon request.

Please contact Amador County Behavioral Health toll-free at (888) 310-6555 to find out which providers are accepting new beneficiaries.

Amador County Behavioral Health affirms the beneficiary's right to obtain covered services from any enrolled and DMC certified provider, even if that provider is not listed in the provider directory.
